**Masonic Charity Foundation  
of Oklahoma**

# *Letter From the President*

Dear Brethren and Friends,

In 2023, we invested in opportunities with new organizations and continued our steadfast support of organizations we had partnered with for many years.

The Masonic Charity Foundation distributed over 3 million dollars in grants to nonprofit organizations across the state of Oklahoma.

Through the Matching Funds Program, local lodges distributed over 1.5 million dollars to their communities.

During the 2022-2023 school year, our Partners in Prevention Program had 480 Masons, representing 98 lodges, volunteer their time and contribute to over 250,000 vision screenings with Vizavance!

There was one Grand Master's disaster appeal in 2023, the Maui wildfires. Oklahoma's contribution to the Masonic Charities of Hawaii totaled \$65,740.20.

With deepest gratitude, I thank each of you for your continued dedication to your communities, our state, and our country.

I hope that this 2023 Annual Report from the Masonic Charity Foundation of Oklahoma reflects on our dedication and our mission to impact Oklahomans from all walks of life.

Fraternally,

A handwritten signature in black ink, appearing to read "Neil Stitt", with a long, sweeping flourish extending to the right.

While we are excited about the increase, we would love to see the number closer to the 2,000+ we received pre-Covid. Unfortunately, we had to disqualify 40.96% of the essays this year because they did not meet the requirements. The three biggest disqualification categories were AI detected, no work cited page, and too few words.

# PARTNERS IN PREVENTION

Masonic Charity Foundation  
of Oklahoma

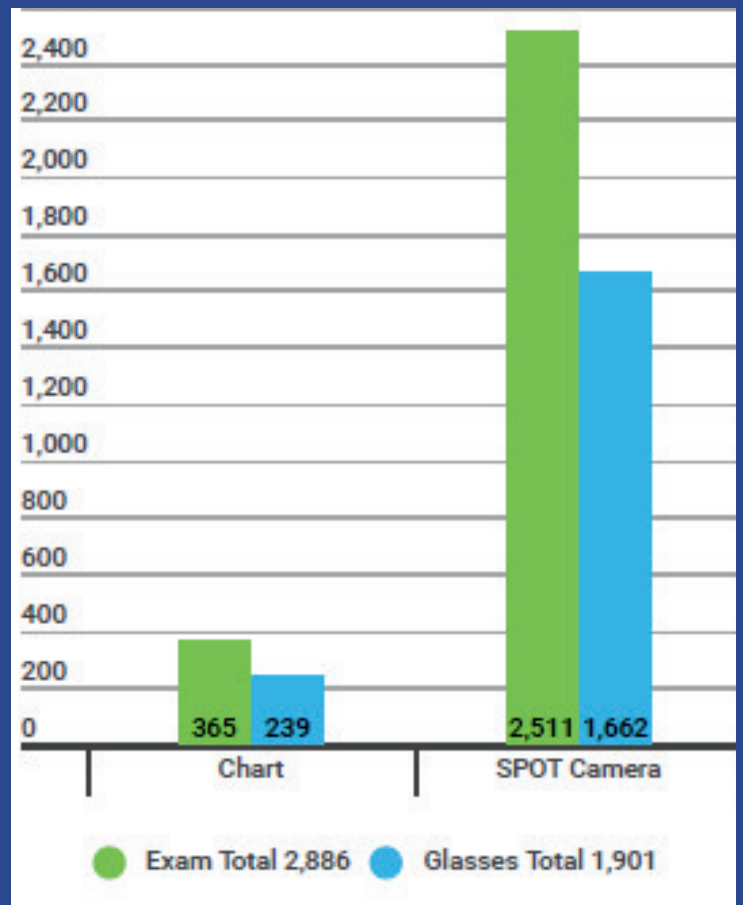

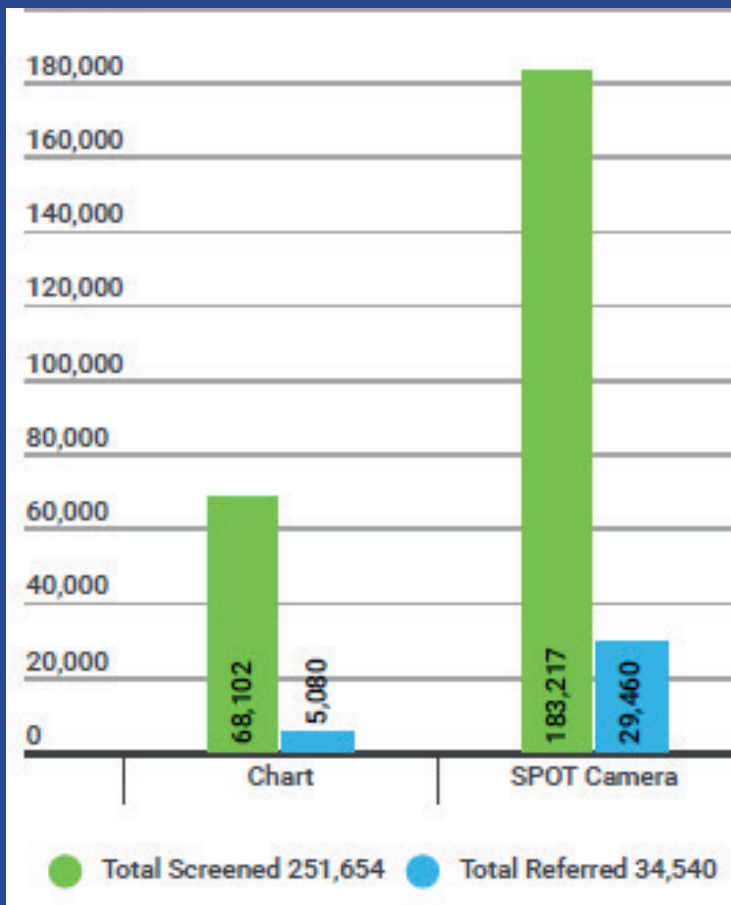

THE MASONIC FRATERNITY  
OF OKLAHOMA

In 1986, Vizavance, formerly Prevent Blindness Oklahoma, approached the Oklahoma Masons seeking a small amount of funding to expand its Children's Vision Screening Program. Vizavance already had been conducting children's vision screenings for over 20 years. However, services were limited to the Oklahoma City area due to the lack of funding. It had always been Vizavance's goal to provide services to children throughout the state, but that would take money and volunteers. Thus, the *Partners in Prevention* program was created. Vizavance provides the screening expertise; the Grand Lodge provides volunteers in communities throughout the state; and the Foundation provides the funding.

*During the 2022-2023 school year, 98 lodges, who were represented by 480 Masons, volunteered their time and contributed to over 250,000 screenings! Vizavance honors those lodges and Masons by selecting a Lodge and Mason of the Year. The volunteers honored for the 2022-2023 School Year are:*

**Lodge of the Year:**  
Edmond Lodge No. 37

**Mason of the Year:**  
John Carter

# OKLAHOMA ALLIANCE FOR ARTS EDUCATION

***2023 marked 33 years as a co-sponsor for the Oklahoma Education Awards for Arts Excellence!***

The M.W. Grand Lodge of Oklahoma, The Masonic Charity Foundation of Oklahoma, and the Guthrie Scottish Rite Masonic Center worked alongside the Oklahoma Alliance for Arts Education, the Oklahoma State Department of Education, and the Oklahoma Arts Council to make the event happen.

**Since 1998, the Masonic Charity Foundation of Oklahoma has provided \$188,888.81 in total support to the Oklahoma Alliance for Arts Education for the Oklahoma Education Awards for Arts Excellence.**

# PAYNE EDUCATION CENTER

**Payne Education Center is a 501(c)(3) nonprofit that trains teachers to prevent reading difficulties in children and to remediate dyslexia while serving as a resource and referral center.**

The Masonic Fraternity of Oklahoma began its relationship with the Payne Education Center in 1985, when it was just beginning. The Founders of Payne Education Center had visited the Learning Center of the Scottish Rite Hospital in Dallas, which had just launched a multisensory education curriculum specifically targeted to dyslexic children.

Back in Oklahoma, the newly founded organization contacted the Guthrie Scottish Rite Foundation for financial support. All three Scottish Rite organizations in Oklahoma joined the effort to expand teacher training statewide.

As the training program grew across the State, the fraternity's financial support was turned over to the Masonic Charity Foundation so that additional resources could be made available.

***Since 1994, the Masonic Charity Foundation of Oklahoma has provided \$1,483,807.15 in total support to Payne Education Center.***
